

*Icetro America Warranty*

**ICETRO AMERICA EXTENDED WARRANTY**  
for Ice Makers (Undercounter & Modular cubers)

***Activate your extended warranty !!***

## Extended 1 Year Warranty Program

Icetro America will extend the warranty on ice makers (only for cubers) that is shipped and installed with the IcePro 400, IcePro 800, IcePro 1300 water treatment systems. The extended warranty is maintained by changing the water treatment cartridges every six months.

The IcePro water treatment provide the necessary technology to control chlorine, sediment, and solve scale problems. Our water treatment system is effective in all water conditions.

- Neutralizes scale
- Up to 99% chlorine reduction
- 5 micron filtration
- Easy cartridge change out
- Quick disconnect fittings
- 6 month cartridge life

IcePro Serial #  
i.g.) 400-1001

## Serial Number on the IcePro Water Treatment Systems

All water treatment systems will be shipped with a serial number attached to the system panel.

## Installer/Customer completes the Icetro Warranty Card

Warranty card will be attached to the water treatment system when shipped.

## Activating Extended Warranty

The customer will have the choice of dropping warranty card in the mail (no postage necessary) or they can go online and fill out the information on the website; <https://icetrowaterproducts.com/registration/>. Once the information is collected, the warranty is in effect and will continue to be in effect as long as replacements are installed every six months during the warranty period.

\* Five Month Reminder Notice; the customer will receive a written reminder or phone call that they will need to change the water treatment cartridges in order to maintain the extended warranty.
